

Grads - We need your pictures!!!

For Grad, we create a powerpoint presentation that shows how our Graduates have grown over the years.

Who: Parents and Graduates please find pictures of your Graduate

Needed: about 3-4 pictures of the Graduate ranging from baby to teenager.

(The "Grad" picture will be provided by the photographer)

When: The sooner the better

Due by December 16, 2016 – Please get your pictures to Lorraine Spence as soon as possible. This is a big job for her to compile all these pictures.

How: Label each picture with the Graduate's name on the back and send them into the SJC office. (Lorraine will scan them and return to Grad). If you have digital copies, email them to Lorraine at lspence@redeemer.ab.ca

Digital Pictures: If you can scan your pictures and email them, please:

- Scan and send as a **jpeg**
- Send a **bigger file** – to ensure it is clear

Note that each picture will only be on the screen for 3-4 seconds, so make sure the Grad is the focus of the picture!
